### "What Singapore Means to Us"

23 August 2006

### Happy Birthday Singapore

The National Day Parade may be over. The fireworks are nowhere to be seen. But the spirit of Singapore's National Day is celebrated in Cairnhill Toastmasters' August Chapter Meeting. Red and white will be our color of the month.

In July's chapter meeting we have dozens of guests, three of which signed as members. Warm welcome to our new members.

We thank you our current president, Lee Li Hua, CTM, for her willingness to give some messages to our club through OutInspire.

Dear members and friends of Cairnhill Toastmasters Club,

It was with great pleasure, honour and pride that I was appointed Cairnhill Toastmasters Club's 2nd Lady President last month, on Wed 26<sup>th</sup> July 2006, for the period of 2006/2007.

I will definitely do my best and together with the new Ex-Cos work hard to bring the Club to another higher level.

It will not be easy as Immediate Past President Jamie and Violet had already done such a good job but I am sure that my team and I will be able to do it.

After all as the quote from Thomas Edison says "**There is no substitute for hard work**".

Toastmasters has given and taught me so much that I would like to give back in whatever way I can to Toastmasters and bring more awareness to this fantastic program.

It is not just about public speaking but also about leadership skills, team works and team spirits.

We had a fantastic Installation Night cum Chapter Meeting with lots of guests and VIPs including District Governor 2006/2007 DTM Poh Kim Siong, Lieutenant Governor for Education DTM Michael Wee, Past District Governor DTM Gea Ban Peng, and Area D3 Governor Monica Goh. To wrap it all, we have 3 pretty and attractive new members. A warm welcome to Shannon, Stephanie and Monalisa!

## **News & Happenings**

**Lee Li Hua**

Our July's chapter meeting is a memorable event for Cairnhill Toastmasters Club. It is the installation night for the Ex-Cos 2006-2007 led by our new president Li Hua. We are honoured to have distinguished guests to come and witness our ceremony. We welcome everyone to our next monthly chapter meetings.

**May Lim**

We had two wonderful and inspiring speakers during the meeting. May Lim shared to us the importance of looking at the positive and bright side of our life. She gave us an illustration of 2 bad bricks is nothing compared to 998 good bricks. While Srinath shared about the importance of preserving our environment. He quoted "We have not inherited the world, we have only borrowed from our grandchildren".

**Srinath**

We also had our distinguished guests District 80 Governor, Poh Kim Siong, DTM, and District 80 Lieutenant-Governor Education and Training, Michael Wee, DTM to share a few words with us. Special thanks to them to come to our installation night.
