## Paint The Town Red

February is the month for  
Valentine and Chinese New Year.  
It's not a coincidence that we  
choose Red to be our theme of  
the meeting.

The color of the OutInspire is also  
reddish (if you see the pdf file).

**Gong Xi Fa Chai!**  
**Happy Chinese New Year!**  
**Wish all wondrous and  
prosperous New Year**

between two people”*

By: Victor Borge

*“Truth is not always popular,  
but it is always right”*

By: Unknown Author

*“People don't care  
how much you know,  
until they know  
how much you care”*

beginnings”*

*“Nothing is so strong as gentleness,  
and nothing is so gentle as real  
strength”*

Love is holding hands in the street  
Marriage is holding arguments in the street

Love is dinner for 2 in your favorite Restaurant  
Marriage is a fast food take-out

Love is cuddling on a sofa  
Marriage is deciding on a sofa

Love is talking about having children  
Marriage is talking about getting away from Children

Love is going to bed early  
Marriage is going to sleep early

Love is a romantic drive  
Marriage is a tarmac drive

Love is losing your appetite  
Marriage is losing your figure

Love is sweet nothing in the ear  
Marriage is sweet nothing in the bank

Love is a flickering flame  
Marriage is flickering television

Love is 1 drink and 2 straws,  
Marriage is “Don’t you think you’ve had enough!”

In short Love is Blind...  
AND... Marriage is an eye opener

~If love is blind, why there're bikinis?~

## Special Reports

“You know, once in a while, you do strange thing in your life, like getting up early, buying Chinese newspaper even if you do not understand most of the words, and flipping through the pages eagerly to look for just one page to be immortalized”

Kranji Memorial Park

Singaporeans are well known for their nationalism (or not?)

Other than the over crowded National Day Parade, Kranji Memorial Park speaks something about this. We can see how Singaporeans respect and honor the people who were fighting for their nation and area.
