President's Message

Dearest members!

Hello! How was your weekend? Sorry for the late delivery of this month's newsletter! It's not Cindy's fault; it's my fault as I was away at a weekend seminar, and hence I am not able to write the President's Message until now.

I just had the most exhilarating experience over the weekend. If you might have guessed, I was at Anthony Robbin's Unleash your Power Within Seminar, where you get to walk on fire! Yes! I did it! ☺ And I will tell you more about this amazing experience at our upcoming meeting!

Please join me to congratulate CL Mike Woon and CTM Rose Ho for their achievements at the recent Area D3 Humorous Speech and Evaluation Contest which was held at Cairnhill Community Club on the 11 Sept. We would also like to congratulate TM Rover Chen for his great efforts for taking part in his first Area Contest! Well done!

We are all looking forward to see you at next week's chapter meeting where delicious mooncakes will be served! ☺

Sincerely,
Violet Lim

TM Joseph Tan (cont'd)

I would say I'm someone with a huge variety of interests. I can sweat it out with my many sports interests, which include my favourites of scuba diving, pool, basketball and beach volleyball. I love toned down things too like theatre, musicals, concerts and plays.

Currently am running my own business with partners. This business in two words is "Innovations Importing". What we do is that source out new, innovative, lifestyle changing products or concepts from other countries and bring them to Singapore and South East Asia.

Toastmasters I feel is a wonderful platform for me to achieve many things such as learn public speaking, build up my confidence, network and make friends all rolled into one. Cairnhill Toastmasters has further confirmed my choice, with their emphasis on Business...as well as their warm and wonderful people.

TM Gregory Chia:

Hi! I'm delighted to join Cairnhill Toastmasters and look forward to the opportunity to share and learn from you! Just a little about myself, I enjoy cycling, tennis and swimming. Currently, I'm Systems Manager with Procter & Gamble.
